COMMITTEE ON FOREIGN RELATIONS

WASHINGTON, D.C. 20510

March 21, 1977

NORVILL JONES, CHIEF OF STAFF  
ARTHUR M. KUHL, CHIEF CLERK

The Honorable Stansfield Turner  
Director of Central Intelligence  
Washington, D.C. 20505

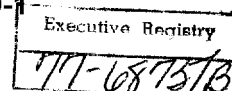

Dear Admiral Turner:

On January 18, the Committee on Foreign Relations received an excellent briefing from your predecessor, Mr. George Bush, on Soviet military capabilities and intentions. The briefing was particularly useful since the Committee was beginning a series of hearings on the national security and arms control implications of current United States strategic options. The hearings were completed on March 16 at a session held by the Subcommittee on Arms Control, Oceans and International Environment.

It would be very valuable if as much as possible of the Agency briefing on January 18 could be published with the other hearings. Accordingly, I am requesting that the Agency take steps as soon as possible to sanitize the hearing on the 18th.

Sincerely,

*John Sparkman*

Honorable John Sparkman, Chairman  
Committee on Foreign Relations  
United States Senate  
Washington, D.C. 20510

Dear Mr. Chairman:

This is in response to your letter requesting that the Agency sanitize for publication the transcript of the 18 January appearance before the Committee by former Director George Bush on the subject of Soviet strategic forces.

My staff has been in touch with Mr. Bill Ashworth, of the Committee staff, in an attempt to sanitize the transcript in such a way that the material would remain meaningful. Unfortunately, the transcript is so replete with sensitive information that the sanitization would render the transcript both meaningless and incomprehensible. This has been conveyed to Mr. Ashworth who has agreed with this position.

Yours sincerely,

STANSFIELD TURNER
